

SUPPORTING YOUR YOUNGSTER IN MATHEMATICS IN THE SENIOR PHASE

MATHEMATICS AWARDS: N5 APPLICATIONS (PREVIOUSLY LIFESKILLS)

SUPPORTING YOUR YOUNGSTER

Q. How do you know what is going on and when it is happening?

Q. HOW DO YOU KNOW WHAT IS GOING ON AND WHEN?

A. Maths App on Launchpad in Glow. This gives access to:

- The course overview: approximate timings for content and assessment.
- Appropriate revision material for assessments.
- Past Papers and Practice Papers.
- Links to video clips.
- Course Notes.

Q. HOW DO YOU KNOW WHAT IS GOING ON AND WHEN?

Show My Homework: use your own password to get information on:

- Accurate details of assessment timings.
- The homework or link to the homework.
- Submissions: What is due and when.
- Gradebook: Grades and comments if issued.

HOW IS YOUR YOUNGSTER DOING?

You can find out from:

Homework: comments / mark /grade.

Most homework is now photographed and posted to Teams or One Note and we mark it there, -please ask your young person to show you!

HOW IS YOUR YOUNGSTER DOING?

You can find out from:

Next steps sheets:

We issue next steps sheets with larger assessments as none of our papers can go home. These give information on the type of question that was asked and number of marks lost or gained: highlighting topics that are strengths and those that need further review. Young people are advised to annotate the sheets by analysing their work, comparing to teacher's model answer and writing down where they went wrong.

HOW IS YOUR YOUNGSTER DOING?

You can find out from:

- Reports
- We feedback on effort, behaviour, homework. The current working grade is usually the most recent assessment grade and next target grade – what we think your young person should aim to achieve in the next assessment.
- Further school communication is initiated following outcome failures, lack of homework, sustained lack of quality homework, poor assessment scores.

YOUR CHILD IS STRUGGLING,WHAT HELP IS AVAILABLE?

- Class teacher.
- Focussed revision sessions on run up to examinations.
- (These may be on-line, on Teams or face to face depending on circumstances)

YOUR CHILD IS STRUGGLING,WHAT HELP IS AVAILABLE?

Scholar:

An online interactive platform for use with National 5 Applications of Mathematics.

Work, if submitted on line is given instant feedback, there are links to course notes and further revision if necessary. Scholar can be accessed through a tile on the Glow Launchpad. They run regular live sessions on line and have video clips of previous sessions available.

YOUR CHILD IS STRUGGLING,WHAT HELP IS AVAILABLE?

Links available from Glow Maths App:

National 5:

<https://www.national5maths.co.uk/> has a great selection of worksheets and power points some suitable for N5Apps.

<https://www.maths180.com/> video clips for all levels and practice papers.

YOUR CHILD IS STRUGGLING,WHAT HELP IS AVAILABLE?

Course Notes

- on Glow Maths App for all levels – Dynamic Maths Notes.
